

DIRECTOR OF RISK MANAGEMENT

Job Description

CATEGORY: ADMINISTRATIVE AND PROFESSIONAL
FLSA STATUS: EXEMPT
POSITION LENGTH: FULL-TIME
SALARY CODE: 14
REPORT TO: VICE PRESIDENT OF FINANCE AND ADMINISTRATION
REVIEWED DATE:

The incumbent in this job is expected to assist the College in achieving its vision and mission of student success and service. A commitment to excellence, service, and a willingness to assist as needed are expectations for all employees.

JOB SUMMARY

Responsible for the development, implementation and maintenance of an environmental health and safety management system to ensure a safe, healthy workplace for employees and a safe, learning environment for students and visitors. Administers, plans, monitors and coordinates risk management activities, workers compensation, loss control and claims administration functions. Oversees emergency response programs and coordinates vendor insurance requirements and compliance.

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Conducts site assessments, reviews and self-inspections. Analyzes and interprets results, recommends appropriate corrective actions, communicates results and follows up on issues or concerns until completion.
- Develops, implements, and maintains TSC policies and procedures ensuring adherence to local, state, and federal environmental, health and safety regulations. Keeps abreast of changes to laws and regulations that impact the organization. Serves as a contact with federal, state, and local regulatory bodies.
- Responsible for conducting and evaluating periodic safety, fire and/or hazardous conditions or substance inspection of all College facilities, equipment and employee work practices; recommends changes and coordinates implementation.
- Interprets insurance coverages and communicates policy and procedure changes to appropriate users.
- Serves as a resource for all risk management related issues for risk and insurance issues in all College activities.
- Designs, directs and coordinates risk programs of the College to control exposures and minimize loss.
- Responsible for the claim filing process for property and liability incidents.
- Prepares bid specifications and participates in the selection process.
- Reviews and updates policies, programs, and procedures ensuring inclusion of any new legal requirements.
- Reviews and investigates accident/incident reports, compiling findings and recommendations for corrective actions into summary report.

DIRECTOR OF RISK MANAGEMENT

Job Description

- Develops, implements, and coordinates Safety, Health, and Environmental College wide training.
- Participates in shared governance process as a task force member. Provides technical knowledge on health and safety related issues, plans, and projects for implementation.
- Assists with the design and development of facilities, work areas and work procedures and ensures the implementation of environmental, health and safety requirements accordingly.
- Attends the workplace regularly, reports to work punctually and follows a work schedule to keep up with the demands of the worksite.
- Completes duties and responsibilities in compliance with college standards, policies and guidelines.
- Uses interpersonal skills and makes sound judgments to decide how duties and responsibilities are completed between coworkers, the supervisory chain, faculty, staff, students, and customers.
- Completes all required training and professional development sessions sponsored by Texas Southmost College (TSC).
- Supports the values and institutional goals as defined in the College's Strategic Plan.
- Participates in the development of outcomes, monitors assessment of those appropriate outcomes, and assists in the development of plans of action for improvement based on the assessment of those outcomes.
- Participates in the process for systematic review and evaluation per the institutional effectiveness model adopted by the College.
- Working hours may include evenings, holidays or weekends depending on deadline requirements and special events.
- Performs other duties as assigned.

REQUIRED KNOWLEDGE AND SKILLS

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required.
