Installation of Office 365

NOTE Office installs the 32-bit version on your PC by default, even if your computer is running a 64-bit version of Windows.

1. Once you have selected Run the installation process will begin:

You will be notified when Office is installed and ready for use.

2. Click 'Close' to finalize the installation.

In the Windows 8 start screen or on the Windows 10 start menu, type the name of the Office application you want to use, like Word, and open it.

ACTIVATION OF OFFICE 365

As a currently enrolled Texas Southmost College student you have free access to Office 365. Authentication is required to verify your status with the college. You will be prompted to Activate your Office subscription.
