

Emergency Medical Science Certificate of Proficiency - Level One

Texas Southmost College
Health Care, Career and Technical Education Division

Traditionally, Emergency Medical Science (EMS) personnel work on ambulances as part of EMS services. However, the field is versatile, since Paramedics possess a unique set of skills. Emergency medical facilities hire Emergency Medical Technicians and Paramedics as emergency room technicians; plasma donation centers hire them as safety officers; critical care transport companies utilize them as flight medics; and fire departments frequently utilize them as fire medics.
