The College Catalog is available through the College web site.

TSC Username and PIN

User IDs and passwords provide security access to the online registration system and student email. Once a student is admitted to TSC, a default PIN is assigned. Students will then be able to log in and assign themselves a unique password.

Login with your credentials to pwreset.tsc.edu. Once you login you will change your password to one of your choice. The password has to have 1 capital letter, 1 number, and a minimum of 8 characters (Ex: Mytscpwd13). It CANNOT have any part of your username or include your ID#. You can also setup your challenge questions in case you forget your password in the future.

Usernames are uniquely assigned to every student and MUST be entered in lowercase at login. Once you are admitted to TSC, Office of Admissions and Records staff provide you with your username and default password. If you did not receive a TSC username, you can contact the Office of Admissions and Records.

By default, your initial password is your first initial (CAPITALIZED) + last initial (lowercase) + the seven digits of your student id number. Example: Name: John Doe, ID Number: 1234567 = Jd1234567

If you changed your password and setup your challenge questions in the self-service password utility site (<https://pwreset.tsc.edu>), you can go back to that site, click on the "Reset Password" link, enter your username, and answer your challenge questions. You will then be able to reset your password. If you did not setup your challenge questions and reset your password, you can use your default password.

Educational Technologies and Online Learning (ET&OL)

The Office of Educational Technologies and Online Learning (ET&OL) supports the institution's teaching and learning activities providing students, faculty, and staff members with a reliable Learning Management System. The Learning Management System, Canvas, improves the delivery of content to our students while providing faculty with the ability to develop, deliver, and manage courses at a high level of quality and proficiency.

Online Learning Courses

Online Learning Courses are those in which the majority (85% or more) of the instruction takes place online. The objectives and content of Online Learning Courses are the same as those offered in a traditional classroom setting. Although these courses allow students flexibility, they require a great deal of self-discipline and self-motivation. Students must have effective time management skills and be able to allocate sufficient time to complete the required coursework. In the course schedule, an Online Course section is identified with a "V".

Hybrid Courses

Hybrid Courses are those in which some (50-85%) of the instruction takes place in an online format. The objectives and content of Hybrid Courses are the same as those offered in a traditional classroom setting. The purpose of a hybrid course is to take advantage of the best features of both face-to-face and online learning. In the course schedule, an Online Course section is identified with an "HB".

Some Online and Hybrid Courses may require specific software and/or hardware. To access Online and Hybrid Courses from off-campus sites, a student must have access to a computer with a broadband Internet connectivity that can stream video and audio. Please visit the Educational Technology and Online Learning Department website at www.tsc.edu/etol for additional information.

Online and Hybrid Courses utilize the same learning management system as our face-to-face courses called Instructure, Inc., Canvas. Canvas provides faculty and students with access to online course content, discussion forums, journals, online tutoring, chat, and live web conferencing. This system allows students to interact with their instructor and fellow classmates using a variety of tools. Some Online and Hybrid Courses may have mandatory face-to-face sessions, such as proctored tests, orientation, review, and laboratory. For course specific requirements, students should review the respective course syllabus.

Note: If an online course requires a proctored exam in a face-to-face environment and student chooses to take exam at an off-site testing center, the student may incur a fee. Please see the Testing Center section of this handbook for further information.

Distance Learning: Student Privacy

TSC is committed to protecting the privacy of all students' academic records, regardless of the mode of delivery of instruction. Accordingly, TSC extends the same FERPA protections to students in online classes as it does for students enrolled in traditional face-to-face instructional classrooms. You should be aware that unlike verbal exchanges in a traditional face-to-face classroom, your participation in an online environment is captured electronically, and a record your participation in the class is created. The privacy of these records, and your right to review them, are legally protected under the provisions of FERPA. Information on your privacy rights under FERPA is available in the Student Handbook.

Canvas Orientation for Online Courses

All students that would like to register for an online or hybrid course, will need to complete a one-time Canvas orientation online. This self-paced orientation is available through the Course Schedule, shown below go to www.tsc.edu/oso.

Once the orientation has been completed, the student will be cleared within four (4) hours.

Note: The student must have TSC credentials to complete this orientation.

TSC Student Email Account

Your TSC email account is the official form of electronic communication for your experience at Texas Southmost College. All campus communication, course-related information, tuition and billing information, and any additional administrative correspondence related to your enrollment and attendance at Texas Southmost College will be sent to this campus e-mail account.

You can login to your email by visiting www.TSC.edu/MyTSC and clicking the email icon. You can login with your TSC username and new password. Your email address will be your (username@student.tsc.edu).

It is your responsibility to check your TSC email account regularly. You will be held responsible for all communication sent to your TSC email account.

Wireless Internet

Wireless connectivity is provided to all students, faculty and staff to promote mobile learning. The college provides limited support for personal wireless technology and users are expected to understand how to configure and operate their devices accordingly. All wireless devices connecting to the TSC network are required to have current and automatically-updating antivirus software. For more information or for assistance contact the TSC Help Desk at 956-295-3800 or by e-mail to helpdesk@tsc.edu.

TSC students can access the "TSC Student" network by using the following password: **Sting13!**

Student I.D. Cards

All students are responsible for obtaining an identification card at the time of initial registration with the college. Students should carry it at all times as it must be presented when paying fees, requesting transcripts, and utilizing library services. Student identification cards are issued to students free of charge. The identification card replacement fee is \$5. Student I.D. cards are available at the Office of Admissions and Records.

Students must show their Student I.D. if requested by a College official or campus security. Students who are unable or refuse to provide their Student I.D. upon request may be removed from campus and face additional disciplinary action.

Use of Student I.D. Number

A student identification number is required to identify students' permanent records. The automated student information system assigns a random number, called the Student I.D., to every student. The Student I.D. is used for all internal printed materials and provides additional protection to students' privacy. Students are urged to become familiar with their Student I.D. and to use it when communicating with College offices.

Students are requested to provide their Social Security Number to the College for maintenance of their student records. This number allows the College to meet federal and State reporting requirements, enables communication with financial aid providers and service agencies, allows reporting to IRS regarding eligibility for the American Opportunity Tax Credit and Lifetime Learning Credit, and substantially eases transfer of information between the College and other colleges and universities. Students who do not provide their Social Security Number risk loss of services and benefits and may encounter delays when transferring from or to other institutions. The College makes every effort to protect students' Social Security Numbers from inappropriate disclosure. Questions about College use of the Social Security Number should be forwarded to the Office of Admissions and Records.

Campus Parking

If a student plans to park a vehicle on the campus, they must register the vehicle and display a current permit tag. Purchasing a parking permit does not guarantee a parking space but does authorize parking in designated parking areas under control of Texas Southmost College. Students may purchase a permit any time at the Cashier's Office during regular office hours. Only registered students are allowed to obtain parking permits. Temporary Parking Permits are available from the Cashier's windows in Tandy Hall.

Students parking vehicles on TSC property are required to have a current year parking permit permanently affixed to their vehicle on the inside lower right hand corner (passenger side) of the windshield. Motorcycle permits must be placed in a clearly visible location.

The person issued a parking permit is responsible for all violations and tickets cited to that permit.

Disabled Parking

Individuals with personal disabled permits must also display a valid Texas Southmost College parking permit to park in a handicapped space. Parking in a handicapped space without a valid Texas Southmost College permit will result in a citation.

No parking permit fees are charged for permanently disabled people or disabled veterans as defined by Articles 6675a-5e and 6675a-5e.1 of Vernon's Texas Civil Statutes.

Types of Citations

Types of citations include, but are not limited to, the following:

- No parking permit
- Expired parking permit
- Improper display of parking permit
- Parking where prohibited (Fire Lane, Handicapped, Faculty/Staff, Visitor, Reserved, Loading/Unloading)
- Parking in a Visitor space, with or without a permit, while an employee or student at Texas Southmost College
- Parking where there is no designated parking space
- Double-parked (encroaching on another parking space)

- Parking in a handicapped space without properly displaying a valid handicap placard/license plate or disabled veteran license plate issued by the state of Texas (Placard/license plate must be issued to same individual issued a Texas Southmost College parking permit)

Purchasing a Permit

To obtain a permit, all outstanding parking fines must be paid. You will be asked to provide your driver's license, license plate number, and the make and model of your vehicle.

- The cost of a student parking permit is \$60 annually. Each permit, additional permit, or replacement permit will cost \$60.00 annually.
- Parking permits may be purchased from the Cashier window in Tandy Hall. The Cashier window is open Monday through Friday from 8:00 am to 5:00 pm.
- Purchasing a parking permit does not guarantee a parking space, but does authorize parking in designated parking areas under control of Texas Southmost College.

Permit Installation

- Parking permits must be permanently affixed to the vehicle on the inside lower right-hand corner (passenger side) of the windshield.
- Motorcycle permits must be placed in a clearly visible location.

Temporary Permits

TSC Parking permits are designed to be transferable to another vehicle - on a temporary basis. For example, if your vehicle is being serviced and you need to drive another vehicle to campus for a few days, you can remove the permit from your vehicle and place it in the new vehicle. When your vehicle is ready, simply transfer the permit back to your regular vehicle.

For other temporary permits please visit the Cashier's window in Tandy Hall.

More information is available on the Parking Permits and Enforcement web page.

Campus Security

The safety of students, faculty, staff and visitors is of vital concern to Texas Southmost College. Everyone in the campus community is involved in creating a safe environment and is encouraged to report all safety concerns by calling campus security.

Texas Southmost College contracts with a security agency that works closely with local police. The contact number for Security (956) 295-3700 for non-emergency situations. When calling, please identify yourself, your location and the situation so that you can be properly assisted. If you have a medical emergency, crisis or other life threatening situation needing a police officer or emergency medical responder, you should immediately call 911.

Rave Emergency Notification System

Texas Southmost College has partnered with Rave Mobile Safety to provide an emergency alert system that delivers messages to your TSC e-mail address, as well as to your cell phone.

Students, faculty and staff information is automatically updated in the Rave Emergency Notification System each semester. Participants will receive a welcome message each semester with instructions for reviewing and managing contact information within Rave.

Rave Emergency Notifications are issued as part of TSC's crisis management program. Notifications will be for major emergencies and emergency instructions that will alert students, faculty, staff on what to do and where to proceed in the event of an emergency situation. The system will not be used for minor situations such as weather advisories, campus event notifications, or cancellations of any kind.

If you want to reliably receive text notifications, we strongly recommend that you log in to your Rave account to enter or verify your cell phone number and provider. Otherwise, you may only be notified of emergency situations via e-mail.

Rave does not charge students, faculty or staff for sending or receiving messages through this service. However, your carrier's standard messaging and/or data charges may apply. Please consult the details of your mobile phone plan. We encourage you to log in at <https://www.getrave.com/login/tsc> to confirm your contact information and choose your notification preferences.

Lost and Found

Texas Southmost College maintains a Lost and Found in office of the Vice President of Student Services, located in the Oliveira Student Services Center, Room 201.

Class Cancellations Due to Inclement Weather

Classes at Texas Southmost College may be cancelled due to inclement weather. Notification is made through local radio and TV stations, on the College web site, and through the college emergency notification system - RAVE. If classes are cancelled due to inclement weather or other emergencies, attempts will be made to assure that classroom hours are rescheduled. Students will be notified through the Texas Southmost College Web site and through their TSC email account.

Transcript Request

Students may request official transcripts at the office of Admissions and Records. Once processed, transcripts will be sent as requested. A fee may be charged.

In compliance with FERPA regulations and TSC procedures, transcripts may only be released to the student of record.

TSC will not mail via overnight services; fax to other educational institutions, students, employers or other third parties; or accept students' personal requests for transcripts via email or phone.

A registration hold will prevent processing and release of a student transcript. Transcripts may be withheld if students have not settled all admissions requirements (e.g., submitting official transcripts from all institutions attended) and satisfied all financial obligations to TSC.

Students are responsible for withdrawing from courses they do not wish to attend. If you do not wish to attend one or all of your classes, you must withdraw prior to the first day of class or you may be responsible for payment of all tuition and mandatory fees, including incidental fees. Students who withdraw after classes begin may receive a partial refund, based upon the TSC tuition and fee refund schedule.

Satisfactory Academic Progress (SAP)

Federal regulations require all students applying for financial assistance to maintain Satisfactory Academic Progress in order to receive aid. The progress standards that students are required to meet in order to maintain financial aid eligibility are:

- **Grade Point Average**
The qualitative measure requires undergraduate students working towards a certificate or an associate's degree to maintain a minimum cumulative Grade Point Average (GPA) of 2.000. This includes grades earned for developmental, dual enrollment and/or transfer coursework;
- **Completion Rate**
The quantitative measure requires undergraduate students maintain a cumulative completion rate of 70% of the attempted coursework (including developmental, dual enrollment and/or transfer hours accepted by TSC). This percentage is determined by dividing the number of hours completed by the total number of hours attempted. Attempted hours are the total number of hours completed plus hours of "W", "I", "F" (as well as repeated coursework); and
- **Timeframe to Complete Academic Program**
This measure limits the number of credit hours attempted in the pursuit of an undergraduate certificate or a degree. The maximum attempted hours are 150% of the credits required to complete the students' program of study. For the purposes of obtaining an associate's degree at TSC requiring 60 credit hours, the maximum is typically 90 credit hours, including developmental, dual enrollment and/or transfer coursework. Students contemplating degree plan changes should consider the ability to complete a new plan with the maximum allowable limits.

Compliance with SAP must be met in order for a student to retain their financial aid eligibility. Students are advised to check their status through their TSC Online account.

Final Satisfactory Academic Progress (SAP) rules were published in the October 29, 2010 Federal Register to be effective July 1, 2011. The revised current regulations clarify, standardize, and strengthen provisions on school evaluations of the qualitative (grades and academic standing) and quantitative (pace of completion) aspects of a student's progress in a program for Title IV funding purposes.

The information below describes each status in more detail:

Good Standing

Students are considered to be in Good Standing with Financial Aid if they meet all three (3) standards of progress outlined above. These students may participate in any financial aid programs provided they meet all other eligibility criteria, subject to availability of funds.

Warning Status

Students who fail to meet the grade point average requirement, the completion rate requirement, or attempt 85% or more of the 1.5 times the minimum number of credits required for a degree program, will be placed in Financial Aid Warning Status for the following semester. Students will be notified via email of their warning status.

Financial Aid Suspension

Students in Financial Aid Warning status who fail to meet SAP requirements for the next semester will not be eligible to receive financial aid and will be placed in Financial Aid Suspension. These students are sent a financial aid suspension notice and can continue to enroll but at their own expense.

Appeal Process

Students may appeal their suspension status. The appeal should include a personal statement (with appropriate documentation) detailing the circumstances that resulted in their failure to meet the required standards and a plan detailing actions the student will take to achieve and maintain Satisfactory Academic Progress. Those who have been suspended due to timeframe must submit a declared degree plan, signed by an academic advisor, clearly showing courses earned towards the program, courses still needed, and the anticipated graduation date. Appeal Packets, complete with forms and instructions, are available in the Financial Aid Office and online. Completed appeal packets must be submitted to the TSC Financial Aid Office.

If the appeal is approved, student will be placed in Financial Aid Probation and eligibility is reinstated subject to program requirements. Progress is reviewed at the end of the semester to make sure that the student is meeting the standards and following the degree plan. Failure in either of these criteria will again result in financial aid suspension.

If the appeal is denied, no financial aid of any kind may be awarded. Students can continue to enroll but at their own expense. A re-appeal is acceptable after students have completed at least one (1) semester (preferably 2 semesters) and believe they can make a case for getting back on track academically. The TSC Financial Aid Appeal Committee's decision is final and may not be appealed further.

Withdrawing from College and Returning Financial Aid Funds

It is important that students know the census date for each semester or session. Although students may be awarded aid based on the number of hours they register for at the start of the semester, financial aid will be recalculated on the basis of the number of hours in which they are still enrolled by the census date(s). For example, students who are initially awarded as full-time (twelve (12) hours) will have their financial aid award adjusted to half-time if they have dropped to six (6) hours by the census date(s) that apply to the student. For some aid programs this means that the student has to pay back half of the aid received.

A drop in enrollment (but not 100% withdrawal) after the census date(s) will not impact the amount of aid received with two (2) exceptions:

1. Loans cannot be disbursed at any time in the semester when a student is enrolled in less than six (6) hours. All enrollment adjustments (drops and adds) must be complete as of the end of business on the semester census date. Pell Grant amounts may be adjusted after a census date depending on the student's program.
2. When students withdraw 100% from TSC, federal regulations require all schools to pro-rate the amount of financial aid that they have earned based on the percentage of the semester that they have attended classes. The regulations require that such a percentage be calculated up until the 60% mark of the semester. Since in most cases students are disbursed 100% of their financial aid under the assumption that they will stay in school the entire semester, withdrawing before the 60% mark means they will have to pay back a portion of their financial aid. Failure to repay these funds results in Financial Aid Holds that prevent future registration at any college or university.

Return of Title IV Fund Order:

- Federal Unsubsidized Loans/Direct Loans
- Federal Subsidized Loans/Direct Loans
- Federal PLUS Loans/Direct PLUS Loans or Grad PLUS Loans
- Federal Pell Grant
- Federal Supplemental Opportunity Grant (SEOG)
- Federal Iraqi & Afghanistan Service Grant

If a student withdraws before financial aid is disbursed, financial aid amounts will be pro-rated according to federal regulations.

State, local, and institutional grants, loans, and scholarships are also subject to evaluation to assess impact of changes in enrollment status.

Federal and State Work-Study Program

The Federal and State Work-Study Program provides a job for undergraduate students enrolled at least half-time who demonstrate financial need to help pay for their educational expenses. The hourly pay rate is typically above current federal minimum wage. The amount of Work-Study awarded depends on a student's financial need, availability of funding, and the amount of other aid the student receives. Students may not work more than nineteen (19) hours per week. Work-Study students are paid twice (2) per month.

The State Work-Study program requires applicants to be Texas residents attending a public or non-profit independent college in Texas. The state program further requires that students be enrolled at least half-time and not be on an athletic scholarship or enrolled in a seminary or other program leading to ordination or licensure to preach.

Attendance and Participation in College Preparatory (Developmental Education) Courses

Students taking college preparatory mathematics, reading and/or writing courses are required to attend class and to keep up with course assignments. Since attendance and participation are essential to student success, an attendance policy is strictly enforced in all CPS courses. The attendance policy is posted in all CPS course syllabi. A student who is excessively absent and/or does not keep up with course assignments may be withdrawn at the discretion of the instructor.

Adds, Drops and Withdrawals

Students should carefully consider all options before registering and changing their schedules. The registration period ends approximately a week before the first day of the term. A schedule change period is provided each semester prior to the start of the term. From the beginning of classes through the Census Date, changes made in courses will not appear on the official transcript. Students withdrawing after the Census Date will receive a grade of "W" during the withdrawal period. Official "W" recording dates are listed in the Academic Calendar.

It is very important to consider that:

- All class schedule adjustments must be recorded and officially processed by the Admissions and Records Office and may require approval from academic departments.
- Withdrawing from a class after the Census Date may affect a student's ability to re-enroll in the course without an increase in the tuition charged for the course and/or may count toward the maximum drop/withdrawals allowed by a Texas ruling. See "Drops and Withdrawals" below.
- Adding or dropping classes, or withdrawing from all classes, can impact financial aid eligibility. Students should review the financial aid policies on withdrawing from classes. Students who receive financial aid should understand that simply notifying Student Financial Services offices of enrollment changes is not official notification to Texas Southmost College.
- No drops or withdrawals will be accepted by phone or over the Internet.

Add/Drop forms may be picked up in the Admissions and Records office. Students are responsible for following up and confirming that requests to withdraw from classes have been processed.

Adds

Classes may only be added during open enrollment or designated add/drop periods. Once the semester/session begins, students may not add a class. See the "Academic Calendar" section of this catalog for important dates.

Students may add classes:

- During open enrollment
- During designated add/drop periods

Drops and Withdrawals

Students may withdraw completely from the College or drop a class at any time during open enrollment or designated add/drop periods. Once the semester/session begins, students may drop a class without a recorded grade up until the official semester/session record date (census). After the official record date, students may withdraw from classes until the final semester/session withdrawal deadline. Withdrawing during this period will result in a W on the student's transcript. See the "Academic Calendar" section of this catalog for important dates.

Students may drop classes:

- During open enrollment
- During designated add/drop periods
- After classes begin, but before the official record date

Students may withdraw from classes:

- After the official record date ("W" on transcript)

Faculty Initiated Drops

Faculty may process drops for non-attendance when it results in a lack of progress. The course syllabus should include any established attendance policy and students should discuss absences or issues relating to attendance with each instructor.

Students are expected to be actively engaged in learning during enrollment at Texas Southmost College, attending class on the first day and throughout the semester.

College Initiated Drops

The College reserves the right to drop students from classes for student code of conduct violations and for non-attendance.

- Faculty at Texas Southmost College are required to take daily attendance. At the beginning of each semester/session, the College may drop students who have not attended class.
- Violations of the TSC Student Code of Conduct may result in disciplinary sanctions. These sanctions include being dropped or withdrawn from classes.

Three-Peat (Third-Attempt) Enrollment Ruling

Texas Southmost College will charge a higher tuition rate to students registering the third (3) or subsequent time for a course. The State will no longer subsidize a student's enrollment for the third (3) or subsequent attempt. Students should meet with an advisor to determine if they are repeating a course for the third (3) time.

Developmental Education Enrollment Ruling (27-Hour Rule)

Texas Southmost College will charge a higher tuition rate to students registering for college preparatory (developmental education) courses who have accumulated at least 27 hours of credit in developmental education courses. College preparatory courses include all courses that begin with a zero (0), with the exception of ORIN 0101.

Six Course Drop Ruling

Students are limited to a total of six (6) course drops during their undergraduate career, including a course(s) dropped at another institution as defined in Section 51.907 of the Texas Education Code, which limits the number of courses that may be dropped under certain circumstances. A dropped course is defined as a course in which an undergraduate student at an institution of higher education has enrolled for credit but did not complete under these conditions:

- the student was able to drop without receiving a grade or incurring an academic penalty;
- the student's transcript indicates or will indicate that the student was enrolled in the course past the deadline to add and drop prior to the census date; and
- the student is not dropping the course in order to withdraw from the institution.

Students must visit the Admissions and Records Office to apply for a Six Drop Waiver. Exceptions to the course drop limit include a total withdrawal from the institution and an approved waiver drop.

Students should carefully consider the number of courses to take and the time commitment required to be successful. Students with a cumulative total of six (6) drops will be awarded the grade earned at the end of the semester.

Official Withdrawals

A total withdrawal from Texas Southmost College is not counted in the above statute. If a student drops one or more courses during the semester before withdrawing completely, the student's individual drops will be counted in the complete withdrawal. Students may withdraw only after meeting with a faculty member or advisor.

To officially withdraw from Texas Southmost College students must:

- Resolve all financial obligations to Texas Southmost College.
- Submit withdrawal forms to the Admissions and Records office.

Withdrawal for Military Service

Military students may want their transcripts to reflect that they withdrew due to military reasons or may request that their transcripts show no indication that they were enrolled, and the course(s) will be permanently removed from their transcript. If a student withdraws as a result of being called to active military service, Texas Southmost College, at the student's option and with proper documentation, shall:

- Grant a student who is eligible under Texas Southmost College guidelines a grade in all courses by designating "Withdrawn-Military" (WM) on the transcript, or
- As determined by the instructor, assign an appropriate final grade or credit to a student who has satisfactorily completed a substantial amount of coursework and demonstrated sufficient mastery of the course material.

Texas Southmost College shall provide a 100% refund with the presentation of military orders.

Reinstatement to Class

A student dropped for excessive absences resulting in lack of progress may be reinstated to class at the discretion of the instructor of record only if circumstances justify reinstatement. The appropriate reinstatement form must be signed by the faculty member and submitted to the Admissions and Records Office. A reinstatement fee may apply.

Attendance

Academic success is directly tied to the effort students put into their studies, the degree to which they interact with faculty and peers, and the extent to which they integrate into the campus life. Attendance has a significant impact on performance, and attendance during the first week is integral to success. Regular and punctual attendance in all classes and laboratories is expected of all students.

Students who are absent for any reason should always consult with their instructors. Course syllabi provide specific information regarding attendance, including, for courses involving the internet, online activity that constitutes "attendance." Also, both tardiness and early departure from class may be considered forms of absenteeism. In all cases, students will be held responsible for completion of course requirements covered in their absence. Additionally, it is the student's responsibility to drop a course for non-attendance.

Course instructors establish policy with regard to attendance in their respective syllabi and may drop a student for excessive absences. Absences are counted regardless of whether they occur consecutively. In special programs with additional accreditation or certification standards, additional attendance requirements may be enforced and faculty will clearly explain these policies in their syllabi.

Students who stop attending class for any reason should contact the instructor and the Admissions and Records office to officially withdraw from the class. Students may be required to consult with a faculty member or designee before dropping. Failure to officially withdraw may result in a failing grade for the course. It is the student's responsibility to withdraw officially from a class by submitting a completed Withdrawal Form to the Admissions and Records office.

Grading System

Course instructors establish grading policy in their respective syllabi. Permanent grades are recorded only at the end of each semester/session. The grades used are:

Grade	Explanation	Quality Points per Semester Hour
A	90-100	4.00
B	80-89.99	3.00
C	70-79.99	2.00
D	60-69.99	1.00
F	Below 60 (Failure)	0.00
AU	Audit	Not used in computing GPA
I	Incomplete	Not used in computing GPA
P	Pass	Not used in computing GPA
CR	Credit	Not used in computing GPA
W	Withdrawn	Not used in computing GPA
WM	Withdrawn Military	Not used in computing GPA
WS	Withdrawn, excluded from Academic Progress	Not used in computing GPA

Note: Specific programs of study may have modified grade scales based on the needs of the program to meet the programs outcomes.

Incomplete Grades

The conditional grade of "I" may be issued to a student having a passing average on all completed coursework but for a justified reason, such as illness or death in the family or by providential hindrance, has been prevented from taking the final examination or completing other required coursework. The "I" becomes an "F" following the completion of the next long (fall or spring) semester, unless the student completes the balance of the coursework with a performance grade of "D" or higher. Re-enrollment in the course will not resolve the "I."

Grade Availability

Grades are posted at the end of each term. Students should follow up with their instructor or, should the instructor not be available, the appropriate Dean regarding questions about grades.

Grade Changes

A student has a maximum of thirty (30) days from the end of the semester or term in which the final grade was issued to request a review of the grade or petition for a change of grade. The responsibility for determining all grades and for judging the quality of academic performance in a course rests with the instructor assigned to the course. A student who believes that the grade received is

incorrect should first schedule a conference with the instructor to resolve the issue. If the student is unable to reach an agreement with the instructor, the student may initiate the Texas Southmost College Grade Appeal process. When the instructor cannot be located in a timely manner by the student, the student should contact the appropriate Academic Dean.

Grade Point Average (GPA)

The GPA is derived by dividing the total number of quality points by the total number of semester credit hours attempted (not including AU, I, P, CR, NR, W, WM, WS) for which grades have been received. The average is based on all semester and term coursework.

Calculating the GPA:

1. Multiply the number of semester credit hours each course is worth by the quality points earned.
2. Add these values.
3. Divide this sum by the number of semester credit hours attempted.

For Example:

Course	Semester Hours	Quality Points	Grade Points
BIOL 1406	4	3.00 (B)	12
ENGL 1301	3	2.00 (C)	6
SPAN 1411	4	4.00 (A)	16
PSYC 2301	3	2.00 (C)	6
KINE 1104	1	4.00 (A)	4
Total	15		44

$$44 \div 15 = 2.93 \text{ GPA}$$

Repetition of Courses

Once a course is repeated, the most recent grade earned (excluding a W) will be the one recorded in the GPA. Other colleges and universities may not follow this practice. Students planning to transfer to another institution should check with that institution concerning its repeat policy for admissions criteria.

Academic Standing and Probation

Acceptable scholastic performance, also known as "Good Standing," is based upon student progress toward successful course and program completion. The components used to compute Academic Standing are GPA and course completion.

Academic Freedom for Students

Students shall be free to be guided by scholarly research, study the substance of a given discipline, examine pertinent data, question assumptions, take reasoned exception to information and views offered in the classroom, and reserve judgment about matters of opinion.

Good Standing

Students are considered in Good Standing if they maintain a minimum overall GPA of 2.0, including developmental courses. Good Standing is affected if overall GPA falls below 2.0 at any time (end of a fall, spring, or summer semester term).

Academic Probation

- Students who begin any semester term in Good Standing, but fail to maintain a cumulative GPA of 2.0 or higher, are placed on Academic Probation. Notification of probationary status is communicated electronically through students' TSC email address.
- Students may re-enroll for one (1) semester term when placed on Academic probation, only after meeting with an Advisor.
- Student status is evaluated after each semester term. Students must earn a semester term GPA of 2.0 or higher to remain enrolled while on Academic Probation.
- Academic Probation status is removed when students earn a semester and cumulative GPA of 2.0 or better.

Academic Dismissal (First or Second Academic Dismissal)

- If students on Academic Probation or Continued Academic Probation fail to earn a semester term GPA of 2.0 or fail to earn a cumulative GPA of 2.0 in the next semester term following the probation status, they will be placed on Academic Dismissal. Students placed on Academic Dismissal will receive an email notification to their TSC email account.

- After remaining out for one (1) semester term (fall or spring) for each of the First or Second Academic Dismissals, students may re-enter on Academic Probation only after receiving advisement.
- Students re-admitted must continually earn a semester term GPA of 2.0 or above until Good Standing is reached to remain enrolled.
- Students may re-enroll in Good Standing if minimum academic standards have been met at another accredited college or university during the period of dismissal.
- Students placed on Academic Dismissal for the third (3) time will not be allowed to enroll for one (1) calendar year.

In addition to the policies above, students may be required to reduce their course loads and/or participate in workshops or other academic success seminars designed to teach proven strategies for academic success.

Students receiving benefits from the Department of Veterans Affairs who fail to maintain Good Standing will be reported to the DVA Regional Office as making Unsatisfactory Progress.

Honors in Graduation

At the time of graduation, students earning an associate degree will be recognized for sustained scholastic excellence by graduating with appropriate honors. Honors will be based upon students' cumulative grade point average on all non-developmental undergraduate hours taken. If courses have been repeated, the last grade recorded will be used in determining grade point average. Honors are as follows:

- Summa cum laude: 3.900-4.000
- Magna cum laude: 3.700-3.899
- Cum laude: 3.500-3.699

Graduation

Texas Southmost College confers degrees and certificates three (3) times a year, at the end of the fall, spring, and summer II semesters. Commencement is held twice a year at the end of the fall and spring semesters. Summer graduates may walk in either the fall or spring ceremonies.

Texas Southmost College offers recognition for satisfactory completion of work in the following forms:

- Associate of Arts Degree
- Associate of Science Degree
- Associate of Arts in Teaching
- Associate of Applied Science Degree
- Certificates

Commencement Exercises

All candidates for degrees and certificates are encouraged to participate in commencement exercises. Candidates need not be enrolled during the semester that the Application for Graduation form is submitted or during the semester in which the degree is conferred. For example, a fall graduate may elect to participate in the graduation ceremony the following May, or a candidate for graduation may participate in the May graduation ceremony preceding summer completion. Participation in the graduation ceremony, however, does not ensure automatic fulfillment of requirements or that a degree will be awarded.

Academic Advising

TSC provides academic advisement to students at the Advisement Center, located in the Oliveira Student Services Center. All current or returning TSC students are encouraged to meet with an advisor before registering to discuss course selection and preparation of degree plans. Students not deemed "college ready" according to Texas Success Initiative (TSI) requirements are required to meet with an Academic Advisor until TSI requirements are met. First-Time-in-College (FTIC) students must see an advisor during their first year of attendance at Texas Southmost College. Transfer students must meet with an academic advisor if they have successfully completed less than 9 credit hours or if they are on academic probation or suspension.

All students are encouraged to seek academic advising before the registration process begins to consider program options and understand the academic requirements to include prerequisites for courses, degrees and programs, and transfer institutions. Having a goal and understanding what is required to achieve the goal can save time and money.

Advising is required for:

- All first-time college students, including those who have earned college dual enrollment credit as high school students.

- Transfer college students with fewer than nine (9) earned college semester credit hours.
- Students with Academic Holds.
- Students who need college preparatory (developmental education) courses.

If TSC requires advising, an admission/registration hold will be placed on the student's record until the requirement has been met.

Students are encouraged to consult with an academic advisor about courses and other educational concerns if currently enrolled and pursuing a two-year degree program, planning to transfer to another college or university, or simply taking a few selected courses. In addition to course and degree requirements, policies and procedures are subject to change. Students are encouraged to stay informed of any changes that may affect them by meeting with an academic advisor regularly.

Many students who plan to transfer to a university are advised to fulfill the lower-division requirements for the university selected for their continued education. It is the responsibility of all students to ensure that they take courses at TSC that will be accepted by the senior institutions they wish to attend.

It is important that all students visit with an Academic Advisor on a regular basis. Your advisor will provide assistance with:

- Academic and admission advising
- Associate degree or Certificate planning
- Assessment interpretation
- Information on academic programs
- Course recommendation
- Registration assistance
- Assistance with dropping or withdrawing from a course
- Graduation requirements
- Referral to on-campus student services
- Referral to community services
- Change of major

Individuals need to be eligible for accommodation services before the services will be approved and provided. To become eligible, an individual will need to:

- Complete a Request for Services form.
- Provide current documentation for the disability for which services are requested. Documentation must be from a competent and qualified source capable of making that diagnosis within their profession.
- Arrange an intake appointment with Disability Support Services. Be prepared to spend at least one hour to meet with a counselor and complete the initial intake appointment.
- The counselor will determine if the student meets the criteria to receive accommodations, and if so, what accommodations are appropriate.

Requests to continue approved services must be in writing. Hand-written notes or e-mail requests to Disability Support Services are not acceptable.

The student may be required to present evidence to support an absence and make-up work for class absences will be permitted only as specified by the faculty in the course syllabus.

A syllabus is a document that an instructor distributes to provide students with an overview of a college course. The syllabus must be provided by the seventh day of the semester and contains the following information:

- Course name and meeting times
- Name of instructor and their contact information
- Expectations for behavior

- Test dates and other relevant dates

The syllabus is your key to success. Make sure you read the syllabus completely and refer to it regularly.

Texas Southmost College supports the right of faculty to maintain discipline in the classroom. When a student is being disruptive in a classroom, clinical or other academic setting, the course instructor or clinical supervisor may temporarily or permanently remove that student from class according to the following procedures.

Step 1

Upon the first occurrence, the course instructor will:

- Speak with the student and inform them that they have violated appropriate standards of classroom behavior.
- Verbally warn the student that a repeat occurrence may result in permanent removal from the class.
- Obtain a commitment from the student that the inappropriate behavior will cease.
- If the infraction is serious enough to warrant immediate removal from class, the course instructor may go directly to Step 2.
- Document the situation and the conversation with the student.

Step 2

Upon the second occurrence, the course instructor may:

- Withdraw the student from class and assign a grade of "W" or "F."

This appeal must be made in writing and received in the Program Director/Department Chair/Dean's office within 5 working days of the student's receiving notice of the course instructor's decision.

- Upon receipt of the appeal, the Program Director/Department Chair/Dean shall review the appeal, hear witnesses if he/she so chooses, and render a decision. The decision of the Program Director/Department Chair/Dean is final.
- An appeal may result in one of the following:
 - Affirm the action of the course instructor.
 - Dismiss, reduce, modify, or increase the penalty imposed by the course instructor.
- The student will be notified of the decision through their TSC email address.

The Student Code of Conduct is an articulation of Texas Southmost College's commitment to maintaining an environment that recognizes and supports the rights of its students, while providing a guide for defining behaviors the College considers inappropriate. When students fail to act in accord with the rules and regulations of the Texas Southmost College community, the College must hold them accountable for their actions.

The purpose of the student conduct system is not solely to punish students for transgressions, but to help them understand and accept their obligations as citizens of an academic community. Whenever possible, sanctions for violations of the Student Code of Conduct will be educational in nature.

The Office of the Vice-President of Student Services or designee has primary authority and responsibility for the administration of student discipline.

16. Disorderly conduct includes but is not limited to any unauthorized use of electronic or other devices to make an audio or video record of any person while on College premises:
 - a. Without his/her prior knowledge.

C. Violation of Law and College Discipline

1. College disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and this Student Code of Conduct (that is, if both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under this Student Code of Conduct may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the Vice President of Student Services.
2. Determinations made or sanctions imposed under this Student Code of Conduct shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of College rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.
3. When a student is charged by federal, state, or local authorities with a violation of law, the College will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also being processed under the Student Code of Conduct, the College may advise off-campus authorities of the existence of the Student Code of Conduct and of how such matters are typically handled within the College community. The College will attempt to cooperate with law enforcement and other agencies in the enforcement of criminal law on campus and in the

conditions imposed by criminal courts for the rehabilitation of student violators (provided that the conditions do not conflict with campus rules or sanctions). Individual students and other members of the College community, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

Article IV: Student Code of Conduct Procedures

A. Charges and Student Conduct Board Hearings

1. Any member of the College community may file charges against a student for violations of the Student Code of Conduct. A charge shall be prepared in writing and directed to the Executive Director of Student Life and Civility. Any charge should be submitted as soon as possible after the event takes place, preferably within 30 days.
2. The Executive Director of Student Life and Civility may conduct an investigation to determine if the charges have merit and/or if they can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the Executive Director of Student Life and Civility. Such disposition shall be final and there shall be no subsequent proceedings. If the charges are not admitted and/or cannot be disposed of by mutual consent, the Executive Director of Student Life and Civility may later serve in the same matter as the Student Conduct Board or a member thereof. If the student admits violating institutional rules, but sanctions are not agreed to, subsequent process, including a hearing if necessary, shall be limited to determining the appropriate sanction(s).
3. All charges shall be presented to the Accused Student in written form. A time shall be set for a Student Conduct Board Hearing, not less than five nor more than fifteen calendar days after the student has been notified. Maximum time limits for scheduling of Student Conduct Board Hearings may be extended at the discretion of the Executive Director of Student Life and Civility.
4. Student Conduct Board Hearings shall be conducted by a Student Conduct Board according to the following guidelines except as provided by article IV(A)(7) below:
 - a. Student Conduct Board Hearings normally shall be conducted in private.
 - b. The Complainant, Accused Student, and their advisors, if any, shall be allowed to attend the entire portion of the Student Conduct Board Hearing at which information is received (excluding deliberations). Admission of any other person to the Student Conduct Board Hearing shall be at the discretion of the Student Conduct Board and/or the Executive Director of Student Life and Civility.
 - c. In Student Conduct Board Hearings involving more than one Accused Student, the Executive Director of Student Life and Civility, in his or her discretion, may permit the Student Conduct Board Hearings concerning each student to be conducted either separately or jointly.
 - d. The Complainant and the Accused Student have the right to be assisted by an advisor they choose, at their own expense. The advisor must be a member of the College community and may not be an attorney. The Complainant and/or the Accused Student is responsible for presenting his or her own information, and therefore, advisors are not permitted to speak or to participate directly in any Student Conduct Board Hearing before a Student Conduct Board. A student should select as an advisor a person whose schedule allows attendance at the scheduled date and time for the Student Conduct Board Hearing because delays will not normally be allowed due to the scheduling conflicts of an advisor.
 - e. The Complainant, the Accused Student, and the Student Conduct Board may arrange for witnesses to present pertinent information to the Student Conduct Board. The College will try to arrange the attendance of possible witnesses who are members of the College community, if reasonably possible, and who are identified by the Complainant and/or Accused Student at least two weekdays prior to the Student Conduct Board Hearing. Witnesses will provide information to and answer questions from the Student Conduct Board. Questions may be suggested by the Accused Student and/or Complainant to be answered by each other or by other witnesses. This will be conducted by the Student Conduct Board with such questions directed to the chairperson, rather than to the witness directly. This method is used to preserve the educational tone of the hearing and to avoid creation of an adversarial environment. Questions of whether potential information will be received shall be resolved in the discretion of the chairperson of the Student Conduct Board.
 - f. Pertinent records, exhibits, and written statements (including Student Impact Statements) may be accepted as information for consideration by a Student Conduct Board at the discretion of the chairperson.
 - g. All procedural questions are subject to the final decision of the chairperson of the Student Conduct Board.
 - h. After the portion of the Student Conduct Board Hearing concludes in which all pertinent information has been received, the Student Conduct Board shall determine (by majority vote if the Student Conduct Board consists of more than one

person) whether the Accused Student has violated each section of the Student Code of Conduct which the student is charged with violating.

- i. The Student Conduct Board's determination shall be made on the basis of whether it is more likely than not that the Accused Student violated the Student Code of Conduct.
 - j. Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in Student Code of Conduct proceedings.
5. There shall be a single verbatim record, such as a tape recording, of all Student Conduct Board Hearings before a Student Conduct Board (not including deliberations). Deliberations shall not be recorded. The record shall be the property of the College.
 6. If an Accused Student, with notice, does not appear before a Student Conduct Board Hearing, the information in support of the charges shall be presented and considered even if the Accused Student is not present.
 7. The Student Conduct Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, Accused Student, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the Vice President of Student Services to be appropriate.

B. Sanctions

1. The following sanctions may be imposed upon any student found to have violated the Student Code of Conduct:
 - a. Warning - A notice in writing to the student that the student is violating or has violated institutional regulations.
 - b. Probation - A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional regulation(s) during the probationary period.
 - c. Behavior Contract - A written agreement that details clear expectations of the student in carrying out an intervention plan. Behavior Contracts may include referral to a counselor, participation in a monitored supervision plan, signing a "no contact" order prohibiting contact with an individual or individuals, submission to random drug testing for a specific period of time, restriction from a certain campus location, loss of parking privileges, or other stipulations appropriate to the Student Code of Conduct violation.
 - d. Loss of Privileges - Denial of specified privileges for a designated period of time.
 - e. Fines - Previously established and published fines may be imposed.
 - f. Restitution - Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.
 - g. Withdrawal from a course or courses with a grade of "W" (Withdrawal).
 - h. Discretionary Sanctions - Discretionary Sanctions include, but are not limited to, work assignments, essays, service to the College, or other related discretionary assignments.
 - i. College Suspension - Separation of the student from the College for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.
 - j. College Expulsion - Permanent separation of the student from the College.
 - k. Revocation of Admission and/or Degree - Admission to or a degree awarded from the College may be revoked for fraud, misrepresentation, or other violation of College standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.
 - l. Withholding Degree - The College may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Code of Conduct, including the completion of all sanctions imposed, if any.
2. More than one of the sanctions listed above may be imposed for any single violation.
3. (a) Other than College expulsion or revocation or withholding of a degree, disciplinary sanctions shall not be made part of the student's permanent academic record, but shall become part of the student's disciplinary record. Upon graduation, the

student's disciplinary record may be expunged of disciplinary actions other than College suspension, College expulsion, or revocation or withholding of a degree, upon application to the Executive Director of Student Life and Civility. Cases involving the imposition of sanctions other than College suspension, College expulsion or revocation or withholding of a degree shall be expunged from the student's confidential record eight (8) years after final disposition of the case.

(b) In situations involving both an Accused Student(s) (or group or organization) and a student(s) claiming to be the victim of another student's conduct, the records of the process and of the sanctions imposed, if any, shall be considered to be the education records of both the Accused Student(s) and the student(s) claiming to be the victim because the educational career and chances of success in the academic community of each may be impacted.

4. The following sanctions may be imposed upon groups or organizations:
 - a. Those sanctions listed above in article IV(B)(1)(a),(b),(d),(e),(f).
 - b. Loss of selected rights and privileges for a specified period of time.
 - c. Deactivation. Loss of all privileges, including College recognition, for a specified period of time.
5. In each case in which a Student Conduct Board determines that a student and/or group or organization has violated the Student Code of Conduct, the sanction(s) shall be determined and imposed by the Executive Director of Student Life and Civility. In cases in which persons other than, or in addition to, the Executive Director of Student Life and Civility have been authorized to serve as the Student Conduct Board, the recommendation of the Student Conduct Board shall be considered by the Executive Director of Student Life and Civility in determining and imposing sanctions. The Executive Director of Student Life and Civility is not limited to sanctions recommended by members of the Student Conduct Board. Following the Student Conduct Board Hearing, the Student Conduct Board and the Executive Director of Student Life and Civility shall advise the Accused Student, group and/or organization (and a complaining student who believes s/he was the victim of another student's conduct) in writing of its determination and of the sanction(s) imposed, if any.

C. Interim Suspension

In certain circumstances, the Vice President of Student Services, or a designee, may impose a College suspension prior to the Student Conduct Board Hearing before a Student Conduct Board.

1. Interim suspension may be imposed only: 1) to ensure the safety and well-being of members of the College community or preservation of College property; b) to ensure the student's own physical or emotional safety and well-being; or c) if the student poses an ongoing threat of disruption of, or interference with, the normal operations of the College.
2. During the interim suspension, a student shall be denied access to the campus (including classes) and/or all other College activities or privileges for which the student might otherwise be eligible, as the Vice President of Student Services or the Executive Director of Student Life and Civility may determine to be appropriate.
3. The interim suspension does not replace the regular process, which shall proceed on the normal schedule, up to and through a Student Conduct Board Hearing, if required.
4. The student shall be notified in writing of this action and the reasons for the suspension. The notice will include the time, date, and place of a subsequent hearing at which the student may show cause why his or her continued presence on the campus does not constitute a threat, and at which they may contest whether a campus rule was violated.

D. Appeals

1. A decision reached by the Student Conduct Board or a sanction imposed by the Executive Director of Student Life and Civility may be appealed by the Accused Student(s) or Complainant(s) to an Appellate Board within five (5) school days of the decision. Such appeals shall be in writing and shall be delivered to the Executive Director of Student Life and Civility or his or her designee.
2. Except as required to explain the basis of new information, an appeal shall be limited to a review of the verbatim record of the Student Conduct Board Hearing and supporting documents for one or more of the following purposes:
 - a. To determine whether the Student Conduct Board Hearing was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present information that the Student Code of Conduct was violated, and giving the Accused Student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.
 - b. To determine whether the decision reached regarding the Accused Student was based on substantial information, that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish that a violation of the Student Code of Conduct occurred.

- c. To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code of Conduct which the student was found to have committed.
 - d. To consider new information, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Conduct Board Hearing.
3. If an appeal is upheld by the Appellate Board, the matter shall be returned to the original Student Conduct Board and Executive Director of Student Life and Civility for re-opening of Student Conduct Board Hearing to allow reconsideration of the original determination and/or sanction(s). If an appeal is not upheld, the matter shall be considered final and binding upon all involved.

Article V: Interpretation and Revision

- A. Any question of interpretation or application of the Student Code of Conduct shall be referred to the Vice President of Student Services or his or her designee for final determination.

The Student Code of Conduct shall be reviewed annually under the direction of the Vice President of Student Services.

Sexual Assault Information

At Texas Southmost College, we are committed to the prevention of all forms of sexual assault and abuse. Coercive sexual contact and unwanted comments of a sexual nature are offensive and undermine the safety, security and dignity of all members of the College community. TSC Board Policy FFE (Local): Student Welfare Freedom from Bullying and Dating Violence

Note: This policy addresses bullying and dating violence involving College District students. For provisions regarding discrimination and harassment involving College District students, see FFD.

BULLYING AND DATING VIOLENCE PROHIBITED

The College District prohibits bullying and dating violence as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of College District policy and is prohibited.

DEFINITIONS

BULLYING

Bullying occurs when a student or group of students engages in written or verbal expression, expression through electronic means, or physical conduct that occurs on College District property, at a College District-sponsored or College District-related activity, or in a vehicle operated by the College District and that:

1. Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; or
2. Is so sufficiently severe, persistent, and pervasive that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

EXAMPLES

Bullying of a student may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name-calling, rumor spreading, or ostracism.

DATING VIOLENCE

Dating violence occurs when one partner in a dating relationship, either past or current, intentionally uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other partner to the point that the abuse:

1. Affects the student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

EXAMPLES

Examples of dating violence against a student may include physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student's family members or members of the student's household, destroying property belonging to the student, threats to commit suicide or homicide if the student ends the relationship, attempts to isolate the student from friends and family, stalking, or encouraging others to engage in these behaviors.

RETALIATION

The College District prohibits retaliation by a student or College District employee against any person who in good faith makes a report of bullying or dating violence, serves as a witness, or participates in an investigation.

EXAMPLES

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

FALSE CLAIM

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a College District investigation regarding bullying, dating violence, or retaliation as defined by this policy shall be subject to appropriate disciplinary action.

TIMELY REPORTING

Reports of bullying, dating violence, or retaliation shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair the College District's ability to investigate and address the prohibited conduct.

REPORTING PROCEDURES

STUDENT REPORT

Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced prohibited conduct should immediately report the alleged acts to an instructor, counselor, administrator, or other College District employee.

EMPLOYEE REPORT

Any College District employee who suspects or receives notice that a student or group of students has or may have experienced bullying, dating violence, or retaliation shall immediately notify the vice president of student services.

REPORT FORMAT

A report may be made orally or in writing. The vice president of student services or designee shall reduce any oral reports to written form.

PROHIBITED CONTACT

The Vice-President of Student Services or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FDE, including harassment or discrimination on the basis of race, color, religion, gender, national origin, or disability. If so, the College District shall proceed under policy FFD instead.

INVESTIGATION OF THE REPORT

The Vice President of Student Services or designee shall conduct an appropriate investigation based on the allegations in the report. The Vice President of Student Services or designee shall promptly take interim action calculated to prevent bullying, dating violence, or retaliation, as defined by this policy, during the course of an investigation, if appropriate.

CONCLUDING THE INVESTIGATION

Absent extenuating circumstances, the investigation should be completed within ten College District business days from the date of the initial report alleging bullying, dating violence, or retaliation, as defined by this policy; however, the vice president of student services or designee shall take additional time if necessary to complete a thorough investigation.

The assigned designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying, dating violence, or retaliation, as defined by this policy, occurred. A copy of the report shall be sent to the College President or designee.

COLLEGE DISTRICT ACTION

If the results of an investigation indicate that bullying, dating violence, or retaliation as defined by this policy occurred, the College District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct.

CORRECTIVE ACTION

Examples of corrective action may include implementing a training program for the individuals involved in the complaint, implementing a comprehensive education program for the College District community, conducting follow-up inquiries to determine if any new incidents or any instances of retaliation have occurred, involving students in efforts to identify problems and improve the College District climate, increasing staff monitoring of areas where bullying, dating violence, or retaliation has occurred, and reaffirming the College District's policy against bullying, dating violence, and retaliation.

IMPROPER CONDUCT

If the investigation reveals improper conduct that did not rise to the level of bullying, dating violence, or retaliation as defined by this policy, the College District may take disciplinary action.

CONFIDENTIALITY

To the greatest extent possible, the College District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

APPEAL

A student who is dissatisfied with the outcome of the investigation may appeal through FLD(LOCAL), beginning at the appropriate level.

RECORDS RETENTION

Retention of records shall be in accordance with the College District's records retention procedures. [See CIA]

Copies of the policy and procedures shall be readily available at the College District's administrative offices.

The Office of Civility

The Office of Civility provides guidance to the Texas Southmost College community regarding Texas Southmost College protocol and procedures and assists and counsel's students in resolving disputes and conflicts in a way that facilitates individual responsibility, contributes to their maturation, and promotes the development of self-advocacy skills.

The Office of Civility serves as an informal, independent, neutral, confidential, problem-solving resource for student-related issues. The Office of Civility is able to provide services as an intermediary/facilitator or to mediate when disputing parties are deadlocked. The Office of Civility staff are available to listen, provide information, reframe issues, develop options, and make referrals when appropriate. The Office of Civility staff will explain and clarify College policies and procedures while encouraging complainants to follow the approved policies and procedures. The Office of Civility staff may conduct informal fact finding interviews when appropriate.

The Office of Civility is located within the Office of the Vice President of Student Services.

Student Appeal of Course Grades

Students at Texas Southmost College may appeal final course grades which they consider unfair or inaccurate.

- The burden of proof lies with the Student and it is the student's responsibility to provide evidence the grade should be changed. Unless the student demonstrates compelling evidence supporting a change of grade, the final grade issued by the faculty member responsible for the course will remain on the student's transcript.
- No appeals will be accepted with the desired resolution being anything other than a change of grade. Complaints must follow Texas Southmost College complaint procedures.
- Students who file frivolous appeals or who deviate from the approved process may have their appeal summarily dismissed.
- Students must submit appeals individually; group appeals will not be considered.
- If the student fails to comply with the designated time frames, the appeal may be summarily dismissed.
 - Only under conditions warranting exception will the time constraint for initiating the grade appeal process be extended. Exceptions might include unexpected call to military service, extreme health issues and severe life disruption.
 - Requests for an exception to the time constraint require verifiable documentation and must be submitted in writing to the appropriate individual, as designated by the step in the process for which the student failed to meet the required deadline. This individual will grant or deny the exception.

Grade appeal procedures:

If the student fails to comply with the designated time frame, the appeal may be summarily dismissed.

Student Complaints

GUIDING PRINCIPLES

The College District encourages students to discuss their concerns and complaints through informal conferences with the appropriate instructor or other campus administrator.

INFORMAL PROCESS

Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

FORMAL PROCESS

If an informal conference regarding a complaint fails to reach the outcome requested by the student, the student may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, students are encouraged to seek informal resolution of their concerns. A student whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

FREEDOM FROM RETALIATION

Neither the Board nor any College District employee shall unlawfully retaliate against any student for bringing a concern or complaint.

NOTICE TO STUDENTS

The College District shall inform students of this policy.

COMPLAINTS

In this policy, the terms "complaint" and "grievance" shall have the same meaning. This policy shall apply to all student complaints, except as provided below.

EXCEPTIONS

This policy shall not apply to:

1. Complaints alleging discrimination or harassment based on race, color, gender, national origin, disability, or religion. [See Board Policy FDE]
2. Complaints concerning retaliation relating to discrimination and harassment. [See Board Policy FDE]
3. Complaints concerning disciplinary decisions. [See Board Policy FMA]
4. Complaints concerning a commissioned peace officer who is an employee of the College District. [See Board Policy CHA]

GENERAL PROVISIONS:

FILING

Complaint forms and appeal notices may be filed by hand-delivery, fax, or U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Fax filings shall be timely filed if they are received on or before the deadline, as indicated by the date/time shown on the fax copy. Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline and received no more than three days after the deadline.

RESPONSE

At Levels One, Two, and Three, "response" shall mean a written communication to the student from the appropriate administrator. Responses may be hand-delivered or sent by U.S. Mail to the student's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

DAYS

"Days" shall mean College District business days. In calculating time lines under this policy, the day a document is filed is "day zero." The following day is "day one."

REPRESENTATIVE

"Representative" shall mean any person who or organization that is designated by the student to represent the student in the complaint process.

The student may designate a representative through written notice to the College District at any level of this process. If the student designates a representative with fewer than three days' notice to the College District before a scheduled conference or hearing, the College District may reschedule the conference or hearing to a later date, if desired, in order to include the College District's counsel.

The College District may be represented by counsel at any level of the process.

CONSOLIDATING COMPLAINTS

Complaints arising out of an event or a series of related events shall be addressed in one complaint. A student shall not bring separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

UNTIMELY FILINGS

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the student, at any point during the complaint process. The student may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

COSTS INCURRED

Each party shall pay its own costs incurred in the course of the complaint.

COMPLAINT FORM

Complaints under this policy shall be submitted in writing on a form provided by the College District.

Copies of any documents that support the complaint should be attached to the complaint form. If the student does not have copies of these documents, copies may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the student unless the student did not know the documents existed before the Level One conference.

A complaint form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing a complaint.

LEVEL ONE

Complaint forms must be filed:

1. Within 15 days of the date the student first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, students shall file Level One complaints with the department chairman or student services counselor. The complaint, however, may begin at the first level at which the administrator has the authority to remedy the complaint.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the College District's The Office of Civility so that it may forward the form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and hold a conference with the student within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

The administrator shall provide the student a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any relevant documents or information the administrator believes will help resolve the complaint.

LEVEL TWO

If the student did not receive the relief requested at Level One or if the time for a response has expired, the student may request a conference with the appropriate vice president to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the College District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the student at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Level Two administrator shall hold a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues presented by the student at Level One and identified in the Level Two appeal notice. At the conference, the student may provide information concerning any documents or information relied on by the administration for the Level One decision. The Level Two administrator may set reasonable time limits for the conference.

The Level Two administrator shall provide the student a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Two administrator may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Level Two administrator believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

LEVEL THREE

If the student did not receive the relief requested at Level Two, the student may request a conference with the College President within five days after the written response by the appropriate vice president. The College President shall review the grievance for matters of policy and procedure only.

For more information regarding complaints, please contact The Office of Civility at conflictresolution@tsc.edu, or by phone at (956) 295-3409.

Records and the Annual FERPA Notification to Students

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, participation in officially recognized activities, photography, and dates of attendance. However, schools

must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Student Right to Know-Graduation Statistics

Federal law requires that all institutions of higher education disclose graduation rates to students, applicants and potential students. Graduation rates for TSC can be provided upon request to the Office of the Vice President of Student Services.

Student Right to Know-Crime Statistics

The TSC Security Annual Report can be provided upon request to the Office of the Vice President of Finance & Administration.

The American Opportunity Tax Credit

Students may be eligible to claim an American Opportunity Tax Credit (AOC) against their federal income taxes. The AOC may be claimed for the qualified tuition and related expenses of students enrolled at least half time in one of the first two years of postsecondary education when enrolled in a program leading to a degree, certificate or other recognized educational credential. Eligible tuition and fees are determined by the IRS and will be offset by any grants, scholarships or refunds received. More information is available at www.irs.gov.

Lifetime Learning Credit

Students may be eligible to claim a Lifetime Learning Credit against their federal income taxes. The Lifetime Learning Credit may be claimed for the qualified tuition and related expenses of students enrolled in eligible educational institutions. If a student is claiming a Hope Credit, none of that student's expenses for that year may be applied toward the Lifetime Learning Credit. More information is available at www.irs.gov.

Selective Service

Almost all males 18 through 25 years of age living in the United States must register with the Selective Service. Almost all non-citizens also are required to register, including illegal aliens, legal permanent residents, and refugees. If a male non-citizen takes up residence in the United States prior to his 26th birthday, he must register. Additional information can be found at the Office of Veterans and Military Services.

Solomon Amendment

The Solomon Amendment allows military recruiters to request certain recruiting information from institutions about students. Such information is considered directory information under FERPA or data that would normally be collected by the institution. The 1995/1996 National Defense Authorization Act and the 1997 Omnibus Consolidated Appropriations Act gave branches of the military access to student information including student's name, address, telephone number, age or date of birth, class, and major. The Solomon Amendment requires institutions to cooperate and comply with requests from military recruiters for student information.

Administrative Withdrawal

The College reserves the right to withdraw a student from class if, in the judgment of the College officials, such withdrawal is in the best interest of the student or the student body at large.

Change of Address

Students who change their home address or mailing address are expected to notify the College of this change immediately using TSC Online, or by contacting the Office of Admissions and Records. Documentation may be required.

Official Communications

A request that a student report to an administrative or faculty office may be made by letter, email or telephone. Failure to comply with such a request may result in disciplinary action. Each student is responsible for monitoring his/her TSC email account for official communications.

Communications to the entire student body are considered properly delivered when they are placed on official campus bulletin boards on TSC Online and/or on the TSC website. Each student is responsible for regularly checking the bulletin boards and websites.

Use of Legal Name

Students are required to provide their full legal name to the College. Students' permanent records, including official transcripts, are required to identify students by their full legal name.

Access to Student Records

The Family Educational Rights and Privacy Act of 1974 (PL93-380), commonly referred to as FERPA, provides that all records pertaining to a student that are maintained by the College must be open to inspection by the student and may not be made available to any other person without the written authorization of the student. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. A "student" is defined as a person who has registered and paid for one or more Undergraduate (UG) or Continuing Education (CE) courses and who remains enrolled through the official date of record for that term. The act allows but does not mandate the release of directory information. Under some circumstances, directory information may be released without the student's written permission. Examples of these circumstances include:

1. For legitimate educational purposes within TSC
2. To officials at an institution in which the student seeks to enroll
3. To comply with a court order or subpoena
4. In connection with a health or safety emergency if necessary to protect the student and others
5. To parents of a student who is a dependent for income tax purposes
6. If it is directory information
7. To parents of a student younger than 21 years of age if the disclosure concerns discipline for violation of the campus drug and alcohol policy.

Discrimination Complaints

Any student who believes that he or she has been discriminated against on the basis of race, religion, color, national origin, sex, age, or disability by the institution or its personnel may informally discuss the complaint with the Vice President of Student Services with the objective of reaching a reasonable solution. The Vice President of Student Services shall advise the student of his or her options in the situation and notify the Director of Human Resources.

If the aggrieved student believes the complaint has not been resolved at the informal discussion, he or she may submit a written complaint stating his or her name, the nature and date of the alleged violation, names of persons responsible (where known), names of any witnesses, and requested action within 30 working days of the date of the informal discussion, to the Vice President of Student Services. The Vice President of Student Services shall ensure that the aggrieved student's rights to appropriate due process procedures are honored. If a hearing is held, the Vice President of Student Services shall conduct the hearing. If the final decision is not to the student's satisfaction, he or she may appeal the decision to the Vice President of Student Services within ten working days of the receipt of the written decision.
